Uninsured Motorists Coverage provides protection against damages resulting from an accident with a motor vehicle: (1) that has no collectible automobile bodily injury liability insurance in at least the amount or limits prescribed by Oregon's Financial Responsibility Law applicable at the time of the accident; (2) for which the insurer denies coverage or is or becomes voluntarily or involuntarily bankrupt or for which a receiver is appointed; (3) that is a hit-and-run vehicle; or (4) that is a phantom vehicle. Refer to your policy for the prevailing coverage provisions.

Bodily Injury Uninsured Motorists Coverage also includes Underinsured Motorists Coverage, which provides protection against damages for bodily injury or death resulting from an accident with a motor vehicle that is insured for an amount that is less than the insured's Uninsured Motorists Coverage.

Uninsured Motorists Coverage does not include coverage for motor trucks having a registration weight of more than 8,000 pounds and primarily designed and used for carrying loads other than passengers, when the insured's employees operating such trucks are covered by any workers' compensation law, disability benefits law or any other such similar law.

UNINSURED MOTORISTS COVERAGE - BODILY INJURY

Your automobile liability policy shall automatically include Bodily Injury Uninsured Motorists Coverage in limits equal to the Bodily Injury Liability policy limits unless you reject those limits by selecting lower limits as indicated below, and sign the acknowledgement at the end of this form.
