

REJECTION OF UNDERINSURED MOTORISTS COVERAGE OR SELECTION OF LOWER LIMIT OF LIABILITY

(WASHINGTON)

The Washington Code (Section 48.22.030), amended, permits you, the insured named in the policy, to reject the Underinsured Motorists Coverage in its entirety, to reject the property damage only portion of the Underinsured Motorists Coverage or to select a limit of liability lower than the limit for Liability Coverage in the policy. You may select a lower limit for property damage only if Underinsured Motorists Coverage is provided on a split limit basis.

Underinsured Motorists Coverage provides insurance for the protection of persons insured under the policy who are legally entitled to recover damages from the owners or operators of underinsured motor vehicles because of bodily injury, death or property damage where either no bodily injury or property damage liability bond or insurance policy applies at the time of the accident, or where the sum of the limits of liability under all bodily injury or property damage liability bonds and insurance policies applicable to a covered person after an accident is less than the amount which the covered person is legally entitled to recover as damages.

In accordance with the Washington Code (Section 48.22.030), amended, the undersigned insured (and each of them)—

(Applicable item marked)
