ARTISAN/TRADE/RESIDENTIAL BUILDER'S APPLICATION

If operations are primarily one specific trade, refer to that trade's Supplement (e.g. Roofers).

PR	EQUALIFICATION - Risk(s) are ineligible if they include any of the following characteristics.		
1.	Involved (past, present or intended future) in residential construction (new, remodeling, installation or repair), and/or development of, more than 14 units in any one development. (Unit means one home, town home unit, condo unit, or apartment.)	Yes	No
2.	Risks where subcontractors are used and contractual risk transfer mechanisms are not in place prior to job commencement.		
3.	Architects or engineers listed as employees of any named insured.		
4.	Rehabilitation projects or construction of low income housing by governmental and volunteer agencies. If yes, to be eligible, must include verification that is documented in file that plumbing, electrical, mechanical, and utility work is performed by licensed contractors and signed waivers/releases are obtained on all volunteer workers. Construction Defect guidelines must be adhered.		
5.	Underground tank installation, removal, repair, or service; remediation contractors (asbestos, mold removal, pollutant clean up, etc.); risks involved (past, present or intended) in EIFS work; risks participating in any wrap-up or owner controlled insurance program (OCIP).		
6.	Risks employing or contracting armed security personnel.		
7.	The insured is not properly licensed.		
8.	Past, present or future residential, office, or a projected location in Colorado.		
9.	Risks involving underground foundation work, residential roofing, and/or residential siding located in AZ, CA, FL, NV and SC.		
10.	Door, Window, or Assembled Mill Work - Installation - Metal (91746) in AZ, CA, CO, FL, HI, MT, NV or SC.		
11.	Buildings being demolished with common wall or party wall exposures.		
12.	Use of a ball and chain or explosives. (SUBMIT ELIGIBILITY)		
13.	Work performed on pipelines and/or in-ground swimming pools.		
14.	Risks involving blasting.		
Not	e to General Agent, if the following answers are Yes, refer to Northfield Solutions.	Yes	No
1.	Contractors who offer building design/consultation or construction/project managers or consultants.		
2.	Commercial building exterior contractors that work on buildings in excess of 5 stories. Exception, window cleaners up to 8 stories are acceptable.		
3.	Risks located in or performing work/operations in downstate New York.		
4.	Risks involved with real estate developers and/or real estate development property.
